Back to School Events

Laura: We have sign up sheets for the involvement fair and back to school bash. We are also planning the ARHS Retreat for the weekend of October 6th. It will be mandatory for all ARHS Reps and Area Presidents.

Laekin: Can you send out a sign-up sheet to the groupme?

Laura: Yes

Canning Weekend

Laura: Does anyone have any interest in a canning weekend for ARHS? It would be during the weekend of September 25th in my hometown in Brooklyn. I think it would be a cool bonding experience and possibly the last canning weekend ever.

Care Packages

Laura: We also have East Care Packages. Care Packages come in next week and we're going to need a lot of help considering East isn't set up yet.

Laekin: Can we send out a sign-up sheet for this?

Laura: Yes.

Kayla: We're going to have a set time for shifts and make it a lot more organized than last time.

Kayla: Nobody has swipe access to the office except Matt right now. So we're going to need to create a sign-up sheet for that, as well.

ARHS Cinemas

Matt Beyen: Guardian of the Galaxy 2 will be playing this weekend, and I have positions open for projectionist at ARHS Cinemas.

Kayla: Explain a little more for people who don't know.

Matt Beyen: We just need people to come in, make sure people don't have food, and turn on the projections for the movie.

CAACURH

Laekin: CAACURH is in less than 100 days. It'll be on the first weekend of November and I'll be coming back next week with a presentation for those who haven't heard about CAACURH yet. If you're looking for a way to get more involved, come and talk to me because this is a great way to do so. We had a successful NAACURH after the 12-hour flight delay. To those in NAACURH - look out for an email because we will be meeting soon.

Office Hours for ARHS

Brendan: Prepare for office hours. They're going to be implemented once the add drop period is over. So just look over your schedules and start thinking about when a good time during the week for an office hour is.

Kayla: Area Presidents have to do 1 hour.

Residence Life & IM Building Initiative

John H: Residence Life has asked for two representatives from each area government to come to our meetings this week. Make sure you're ready for all of your meetings this week, have

some icebreakers ready, etc. If you don't give someone a purpose for coming back, they're not coming back. Leave them with a purpose. Get people involved and do it quickly. Do your best to make them feel welcome and make sure you're aware that they are there.

Residence Life and Rec Sports are teaming up for Programming. Battleship, Narchery (Nurf Archery), and Ball Soccer. These events are going to take place every Friday night in the IM building. They're going to ask for 1st year teams first and after that other people can fill in. Spread the word! Maybe we can get an ARHS team together, it would be fun. 5:00-8:30 increments, teams of 8 people.

Mark: We're working with Athletics to give out some fun things, really cool prizes, etc.

Mitch: Can you go for one friday or do you have to go every friday?

John H: You can go for one friday, but, coming back every Friday gives more incentives for bigger prizes.

John H: Fraternity & Sorority Life is a lot different because there is no recruitment this semester. About 2,000 kids were left out of a leadership position so we're trying to help them out here.
