  - John Hurst: Also, big thank you to everyone who helped with the retreat. It was super positive. Another thing is, the advisors and I planned a lot of this stuff. So next time, I hope you all are the people planning it. Talk about what you want to do. You can stay on campus, go off campus, but I would really like to see a few of you step up and plan it out.
  - Mark Rameker: The retreat was great, I think the conversations definitely should continue from the retreat another time as well.
